A Note from our Associate Pastor

Church Family,

School has started! It's almost Fall. Let's pray for those involved from students, to teachers, to staff, to private schools, and home schools! This is another opportunity to be a witness for the Gospel. This is another opportunity to shine like Jesus. This is another opportunity to gain the knowledge that the Lord wants for us to serve in this world as world citizens, giving back to our communities.

Jesus said in Mark 10:45: *"For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many"* (ESV). Let's pray that our students learn the importance of becoming servant leaders in our society as they grow. Let's continue to refocus our adults' attention to living for Christ and others, and not ourselves. God blesses those who live for Him and share His love and service to others.

As our church family continues to take steps forward for what God has for us next, let's consider how vital it is that we be a church of truth and love. They go together. As we seek truth and walk in Christ's love, let's exemplify these traits as we serve our community. Let's be known as a church who teaches truth and loves people as we serve others!

Soon to be enjoying the Fall season,

Garrett Trunk

God is in control!

Jail Ministry

The Jail Ministry Team continues to try to minister to those in jail. Most of the people we have contact with are here at the Adair County Detention Center or at the Chillicothe Correctional Facility. We provide Bibles to many at these facilities. We hope that we will be able to get back in soon to conduct services with the inmates. If you ever feel led to join the team contact Doug Athon or Dana Brown.

Welcome to new member - Karen

BSU Update...new beginnings

Thank you so much for the prayers, love, support and sacrificial giving that we are so blessed with from so many!! We are so grateful to God to let us keep trying to reach our campus with the message of Jesus through so many who support this small community of missionaries! Thank you all!

How would you live your life differently if you had no fear of failing? It is a new semester and we are so excited to be here on campus! The past 6 days we have seen the students involved with BSU coming back with a passion! They have been non-stop serving with 80 new international students, moving in new freshmen with their families, sharing about BSU with others on campus, moving furniture and washing machines, giving rides from the train station, sidewalk chalking campus, and jumping in to begin practicing for worship nights already. It has been so beautiful to see them doing so much. I am so thankful for the students God has brought us! One of our students is starting up a YouTube channel to provide a place for those who are not as familiar with the scriptures, to have a place to begin growing and learning about Jesus. Another has been organizing Christian international students to worship together in their native language. And, they are starting to connect and come to the local churches! I love that!! I am reminded from their joy and sacrifice and love that - fame is what you do for yourself, but greatness is what you do for others. These students are doing things for the One who has changed everything for them so that others can have a life changing relationship in Jesus.

To live by faith,
The BSU

VBS Summary - Spark Studios 2022

We had a wonderful time at our VBS as we sparked our creativity that God has given us! The children learned that we are God's workmanship (Eph. 2:10) and we should use our talents to bring glory to Him! Throughout the week, we had 42 children participate, with most of them attending all 5 evenings. One young man made the decision to give his life to Jesus at VBS! The children gave an offering of \$422.12, which will be used for packing OCC shoeboxes during our children's ministry packing party this fall. I am so thankful for each of the 36 volunteers who generously gave their time and energy throughout the week. I am also thankful for the many donations of food, supplies, and money given by our church family. Thank you also to each of you who prayed for VBS, the children, and the workers. Let's continue to pray for the children who heard about Jesus Christ, that God will continue to work in their hearts to draw them to Him. All for His glory - Tanya Tatro, 2022 VBS Director

Sunday School/Small Group Update

First, **welcome back Truman and ATSU students!** You add a vibrancy to Kirksville. The Young Adult Small Group reconstituted over the summer and is waiting for you to join!

September 1 marks the start of the Small Group year! That means that some children have moved up to the next class. Are you “moving up”?

God’s intent is for all of us (not just the kids) to keep growing in the Word. “Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth” 2 Timothy 2:15.

Bible study gives you a firsthand knowledge of what God says. It deepens your relationship with God. It energizes your soul. Often a passage will speak to your current situation and give you the direction you need.

Besides all that, group Bible study puts you in touch with like-minded believers who are also learning about God, themselves, and God’s purpose and guidance. They often have experiences that can help you in your Christian walk. It’s a win, win, win!

While there are numerous Bible studies here at HSBC, I highly recommend Sunday Morning Small Groups for Bible study. If you need help finding a group, just let me know!

There is a Small Group for you!
Elsie Rudd, Interim Director of Sunday School

A note from the church secretary - Laura Brown

I am in the process of updating our membership rolls. We have a lot of members that I do not have current information about. I am sending out letters to the last known address I have for them but expect to get a lot of them back. Our constitution says:

“Non-resident members with whom we have lost contact for a period of more than five years may be removed from membership by church action after attempts to contact them have been made.”

I am attempting to contact them through these letters. I may be contacting you in the future to help me find information for some of them.

I am also trying to update our newsletter recipient list. Everyone should receive a letter in the mail asking them to update their information. We mail out 230 newsletters a month. This is time-consuming and expensive. This is part of why we are encouraging everyone to switch their newsletter to an email address. If you don't have an email address we are happy to mail it to you - just let us know. The newsletter is also posted on our website (hamiltonstreet.org) each month.

You may use the form below to update your email information for the newsletter. You can return it to church and put it in the offering box. You also can call the office at (660) 665-4633 or email us at hsbc@sbcglobal.net.

I have also recently updated our prayer list that I email requests to. Sometimes addresses are no longer used and we don't know it. If you feel you have been taken off by mistake, please let us know in the office.
